

Telemarketing Guard™ ¹ Quick Guide

Telemarketing Guard Quick Report

If you would like to identify the **previous** call as a telemarketer or if Telemarketing Guard inadvertently intercepted a call that was a family or friend:

1. Hang up the phone after the call
2. Pick up the phone and wait for the dial tone
3. Press ***44**.
4. Wait for the prompts before proceeding
5. Follow the prompts to add the last caller to the telemarketer or friends & family list

Telemarketing Guard Management

If you would like to change your Telemarketing Guard call treatment options at anytime, including changing how intercepted calls are handled or adding a number to the telemarketer or family & friends list:

1. Press ***46**.
2. Wait for the prompts before proceeding
3. Follow the prompts to change your settings or to add a 10-digit phone number to the telemarketer or friends & family list
